

Georgia Gourd Society Membership Application

We invite you to join us in sharing and learning all about gourds. We meet periodically for workshops and meetings, produce a state gourd show, produce 4 educational newsletters a year, and offer to you resources for gourd supplies, decorating ideas, and friendship. Membership is open to everyone and annual dues are due each January.

The only prerequisite for membership in the Georgia Gourd Society (GGS) is membership in the American Gourd Society (AGS). Annual dues for the AGS are \$15.00, which includes a year's subscription to their national magazine, The Gourd Magazine. Both dues can be sent to the GGS when you join, but please make two separate checks — \$10.00 to the Georgia Gourd Society and \$15.00 to the American Gourd Society. We will be glad to forward your check and information to the AGS or you may opt to contact the AGS directly by emailing their Membership Secretary, Dallas Lunsford, at agsmembership@insightbb.com.

How many gourders living in your home will be included in your family membership? _____

Are you willing to receive the newsletter electronically (via email) in 2008?

yes or no (Thanks... this will help to reduce the publication costs.)

Beginning in January 2009, all newsletter subscriptions will be electronic, and paper copies will require a fee to supplement the printing costs.

Annual family dues for the Georgia Gourd Society are \$10, and include a subscription to the Bloomin' Gourd (GGS quarterly newsletter). The membership year runs from January 1 to December 31. If you join the GGS later in the year the issues of the Bloomin' Gourd newsletters that you missed, for the current year, will be sent to you. You are welcome to purchase multiple years if you wish.
